Fawn '72 feels that a yearbook should be dedicated to someone who has helped not just a minority of the student body but each person individually. In doing his job such a person would perform not only one task but many. In the search for a person with these qualities we found ourselves in the library. We dedicate the '72 Fawn to a person who has done an outstanding job meeting these qualifications, Mrs. Roma Knerr.

Cooks

COOKS: M. Zimmerman, E. Arnold, R. Brown, S. Channell, H. Plummer.

Held on December 16, the annual Christmas dinner was a great success. Preparations for the meal began the day before with the baking of ten turkeys.

Other makings of the meal included 225 pounds of potatoes, 12 gallons of peas, 80 pounds of filling and lots of gravy.

The trimmings available were cranberries, rolls and butter, jello and block ice cream.

Lunch periods were extended due to the many people that eat on these special occasions.

PART TIME: I. Heaps, N. Young, E. Shirey, V. Shenberger, J. Brown.

#### Language Department

Team teaching has become a part of Kennard-Dale's Language Department. In the seventh and eighth grade there were two teams. The language teacher of the seventh grade team was Miss Winemiller, and the eighth grade team member was Mr. Campbell. Eighth grade students took one semester each of German and French.

In senior high the ninth and tenth grade had one semester of Literature, and one semester of Language Arts. Composition was combined in both. The eleventh and twelfth grade changed courses every twelve weeks. One of Composition, one of Language Arts, and one of Literature.

Two new members of the Language Department this year were Mrs. Rita Sebring, an English teacher from Delta and Miss Hilke Krieg a German and an English teacher from Street, Maryland.

- 1. Mrs. Allen; Reading
- 2. Mr. Petak; Reading
- 3. Mr. Dierdorf; French and English
- 4. Miss Winemiller; English
- 5. Mrs. Atkins; English
- 6. Miss H. Krieg; German and English
- 7. Mrs. Sebring; English
- 8. Mrs. Knerr; Librarian
- 9. Mr. Campbell; English
- 10. Miss Spory; English

Under the heading of the Business Department were the subjects of: General Business, Business Math, Typing I and II, Bookkeeping I and II, Shorthand I and II, Office Practice, and Business Law and Economics.

Mrs. Marian McElwain, sometimes known as "Mrs. Mac," was introduced as a new business teacher here at K-D. Other business teachers were Mrs. Ruth Kulpon and Mrs. Linda Wierman. It is the feeling of these teachers that there were more business students last year.

Several new machines were bought for the department; these included new typewriters for both typing rooms, adding machines, and two new six-station shorthand laboratories.

All business students were encouraged to join the Future Business Leaders of America or serve as a student secretary.

During the last year the Office Practice Classes started working on a project known as Junior Opportunities for Business Students (JOBS). This was a paying project that gave students the opportunity to operate as a service to the community.

#### Math Department

From counting by tens to one hundred to drawing a function on a graph, the mathematics program provided challenges for the K-D students. The math department's aim was to provide each student with a mathematical background which he could use later on in life. Though some students are not enthusiastic about learning math, almost all will agree that they need and utilize what they learned in math class throughout their later life.

This year Mr. Slagel and Mr. Hunt participated in the team teaching program in the seventh and eighth grades respectively.

- 1. Mr. Brant; Math., Adv. Math, Alg. II
- 2. Mr. Slagel; Math, Geometry
- 4. Mr. DiGiacinto; Math, Alg. I
- 5. Mr. Hunt; Math

#### Science Department

New students walked cautiously past the science classrooms this year as they were frightened by visions of experiments performed by science teachers, on dissected frogs and with bubbling liquids and foul-smelling vapors. After a few weeks they found that there was nothing abnormal about science class and they learned interesting facts. Miss Markey participated in the seventh grade team-teaching while Mr. Gallagher was the eighth grade team teacher. Most pupils found explanations for occurrances in their environment from the knowledge they recieved from science.

- 1. Mr. Gallagher; Science, Business Math
- 2. Miss B. Krieg; Biology
- 3. Mr. Sinclair; Science
- 4. Mr. Reid; Chemistry, Physics
- 5. Miss Markey; Science

#### Social Studies Department

With four new courses open to seniors, and a new teacher, Mr. Dale Dinsmore, K-D's Social Studies department was different this year. Seniors took political Science and either Sociology or P.O.D. They could elect Psychology, Principles of Economics or History of American Technology, a combination of science and history. Junior High team teachers were Mr. Grove (7th grade) and Mr. Shipman (8th grade). The department sought to teach an understanding of humanity and the tools which humanity uses for living, such as governments. Its ultimate purpose was to enable all men to live together peacefully and productively by making all men aware of the unique features of all other men.

- 1. Mr. Dinsmore
- 2. Mr. Ecker
- 3. Mr. Devilbiss
- 4. Mr. Shipman
- 5. Mr. Rexroth
- 6. Mr. Grove

#### Fine And Applied Arts

Mr. Thomas Wehr, a 1971 graduate of Kutztown State College, was the newest addition to K-D's Fine Arts Department. As the new art teacher, Mr. Wehr taught two new art electives, Art Elective Studio and Art History and Appreciation. News in the musical section of the department included having both Mr. Gingrich and Mr. Winemiller at K-D every day of the week. This made scheduling easier for everyone concerned. Another new development was the division of Senior Band into Marching Band, Concert Band, and Wind Ensemble.

In applied arts, K-D acquired a new industrial arts teacher Mr. Fred Watts. Mr. Watts is a former production welder from New Holland. Industrial arts was an exploratory program designed to discover and develop student talents and develop skill in the safe use of tools and machines. Agriculture courses were job-oriented in nature, striving to develop the competence needed by those preparing for off-farm occupations as well as farm work. The Home Economics department, with a roomful of new kitchen equipment and ten elective courses, tried to turn out more efficient homemakers and discriminating consumers. The second semester brought about a 3-week switch in 8th grade — girls took industrial arts; boys took cooking.

- 1. Mrs. Wilson; Home Economics
- 2. Mrs. Mikesell; Home Economics
- 3. Mr. Wehr; Art
- 4. Mr. Gingrich; Music
- 5. Mr. Keesey; Industrial Arts
- 6. Mr. Watts; Industrial Arts
- 7. Mr. Winemiller; Music
- 8. Mr. Travis; Vocational Agriculture
- 9. Mr. Durna; Industrial Arts

#### Guidance Department

This year the guidance department had seventh and eighth grade guidance classes one period a week. This gave the teachers an opportunity to enter their fields of study in a greater depth than other years. The seventh grade concentrated on methods of studying and personal relationships while the eighth grade explored different vocations open to them.

For senior high students, the guidance department is concerned with the satisfactory placement of each graduate in society. This year the guidance department offered a service to parents of tenth and eleventh grade students to aid the students and parents in making the best selection of electives for the students career goals. The department corresponded with approximately 600 colleges and trade schools to aid the senior high students.

## Physical Education

Kennard-Dale's physical education department received two welcome additions to their staff this year. Joy Smeltzer came to K-D to help Mrs. Anstine with her burden of teaching the female students. The boys' new instructions in gymnastics came from Dale Dinsmore. New equipment such as a volleyball net and a mini trampoline made the students a little more anxious to attend gym class.

#### CLASS HISTORY

Upon our first arrival at Kennard-Dale, everything looked so solemn and threatening to this scared bunch of seventh graders. Each and every one of us was probably warned about the danger of being tormented by the older "big guys". After we began mixing with the other kids, we decided that high school wouldn't be so bad after all.

In eighth grade, we were able to impress the new seventh graders with our knowledge of all the teachers to watch out for. We were pretty proud of how well we knew our way around. On our first class trip we went to Gettysburg, which proved to be most enjoyable for everyone. "Ice Blue to Spring Green" was our first record hop.

High School really started in our freshman year, when we began making plans for the future. Harrisburg was the destination for our class trip, where we toured the Capitol building. In our sophomore year we began taking school a little more seriously, but not too much. The theme for our tenth grade dance was "For What It's Worth" with Rummage providing the music. We went to Philadelphia on our class trip, where we spent the day trying to find something to do on a ferry boat. We contented ourselves with waiting to see who would be the first one to get sea-sick or fall over the side of the boat.

A trip to Washington D.C. got our junior year off to a smooth start. Our class play, presented on April 21 and 22, was a big success. It was three one-act plays: Winter's Harvest, The Other Other Woman, and Marked for Murder. For the first time in the history of Kennard-Dale, we were granted the privilege of holding our prom away from the school. We chose as our spot the Red Lion Country Club, and "Dreams of Days to Come" as our theme. Everyone danced to the music of Creston Ottenmiller and his orchestra. As this year drew to a close, we all began to wonder where the time had gone.

At long last that final year is here. For some it is with relief, for others, it is with regret that the years went all too fast. We chose Baby's Breath as our class flower, and our class colors are lavendar and white. Once again we had the fun and work of presenting another play, No Mother to Guide Her; Or More to be Pited Than Censured. The theme for our Christmas Dance was "Sleigh Ride by Night". This year we were able to get an overnight class trip; something every class has tried to do for years. This was possible only through the combined efforts of the class and many of the faculty members. We chose a lodge in the Pocono Mountains as our destination.

As we are now at the end of our high school days, we know that not one of us can't remember some happy times spent here. Armed with our motto to guide us, we prepare to leave knowing that, "today is what we are; tomorrow is what we will be."

Watch out Henry, here comes Mr. Brown!

For the second year Kennard-Dale has had the privilege of having an ICYE Exchange Student studying with us. This year, Henry Bohli, from Adliswil Switzerland became an official member of the class of 72. Henry lives in what might be called a suburb villiage of the large city of Zurich, which is also the name of the canton or state he lives in. Henry's father, Ernst, is in business as a beverage distributor, and a homeheating fuel distributor. Here Mr. Bohli also does hauling and operates the garbage collecting trucks for his town. Gertrud, his mother, is a secretary for his father and is the housekeeper at home. Henry also has a brother Beat, who is 14 and attends ninth grade.

In Switzerland, Henry's main interest is sports. He enjoys judo, rowing, target shooting, horseback riding, water and snow skiing, and swimming. Like wise this year, Henry has participated in football, basketball, and baseball at Kennard-Dale, along with a full schedule of courses in English, French, Chemistry, and Psychology. Henry was also active in Photo Club this year.

Our fine exchange student was quite prepared for the many questions he was asked. He answered one person's question "Do you wear leather shorts and a cap with a feather in it and yoodle?" with this question "Do you wear a cowboy hat, ride a horse and lasso calves?" Henry will have to finish one more year of high school when he returns home. Then he must serve in the military for 17 weeks as it is manditory for all Swiss boys to do after graduation. He would like to attend the University of Zurich upon completion of the schooling and service.

"It just occurred to me, I think we are losing .!!"

"So that's how it's done."

"Oh no, caught again!"

# Council Represents Student Body

Under the leadership of President Emily Devilbiss and this year's new advisor, Mr. Kenneth Dierdorf, the Student Council began a busy year. Homecoming, October 16, was the Council's first big project. The Student Council planned many assemblies during the year. A Veteran's Day assembly; "Phoenix", consisting of two folk singers; the bazaar, and K-D's annual Talent Show. were some of SC's many projects. For the second consecutive year, Student Council, in conjunction with Honor Society, sponsored a foreign exchange student.

Assembly, Swiss Style!

Senior high students with a Baverage or higher were inducted into the Kennard-Dale Chapter of the National Honor Society. Advised by Mr. Rexroth, the group continued its support of the Exchange Student Program and the Hall of Fame. It also conducted a tutoring service. Special events sponsored this year included the Induction Tea and the Morp. 1971-72 OFFICERS (RIGHT) WERE: Wendy Ward, V-Pres.; Debra McFadden, Secretary; Kathy McCleary, President; and Dennis McCleary, Treasurer.

Future Teachers of America prepares its members to become teachers. A program was set up in which the F.T.A. members taught Jr. High classes. Towards the end of the year, the Sr. members took advantage of the opportunity to act as teachers' aides in the elementary grades of their choice.

The officers for 1971-72 were: Pres., Karen Orwig; V.Pres., Mary Turner; Treas., Marilyn McLaughlin; Sec., Wendy Ward.

New members inducted for 1971-72.

In an effort to promote a better understanding of biology and related topics, the Biology Club was formed. The club participated in many biology-related activities throughout the year. These activities included trash clean-ups in area communities and a collection of glass for recycling. The club also took field trips to Lewes, Delaware.

The German Club was established to give insight into the German culture to all club members. The club engaged in many activities throughout the year. One such activity being Christmas caroling in local communities.

The German Club and their guests sang a selection of Christmas carols in the communities of Stewartstown and Delta. The repertoire of songs included many Christmas favorites. A few carols were sung in German, their learned language.

Many changes were made here at KD during the past year. One of these changes was in having an eighth period on Wednesday and Friday. Each period was shortened approximately ten minutes for the extra period. These two extra periods a week gave students time to participate in one of the newly formed clubs, as well as previously extablished clubs.

The following are some of the newly formed clubs: Cycle, Hand Sewing, Medical Careers, Folk Dancing, Chess, WRAM, Gym, Office Practice, Jr. Drama, Model Airplane, Music, Tutoring, Audio Visual, and Biology.

If not interested in any of these clubs, students attended a study hall. These new clubs gave everyone an opportunity to participate in a school activity, whereas many did not have the opportunity before.

#### FBLA

Kennard-Dale's Future Business Leaders of America is a part of the national organization that believes that every young person should prepare himself for a useful occupation, and that he should carry on the occupation in a manner that will bring the greatest reward. They also believe that every young person should take responsibility for carrying out assigned tasks in a manner that will reflect credit to himself, his associates, his school, and his community.

OFFICERS THIS PAST YEAR WERE: President Debra McFadden, Vice-President Linda Metz, Secretary Dawn Strickler, Treasurer Donna Watson. Their advisors were Mrs. Linda Wierman, Mrs. Ruth Kulpon, and Mrs. Marian McElwain.

Proceeds from candy that FBLA sold were used to finance trips to regional and state leadership conventions. They also participated in a nationwide project of collecting Betty Crocker coupons and turning them over to the Teen Challenge Program to help in financing their program.

Kennard-Dale Chapter of the Future Farmers of America consisted of approximately 65 members, the largest membership in ten years. This year they worked diligently at selling flower bulbs, citrus fruits, and seeds. The money raised from these projects was used for their annual Parent-Son Banquet and to attend the State and National FFA Conventions. The members planted and checked test corn plots and also decorated the Christmas tree for the auditorium lobby.

Kennard-Dale students' last year's efforts resulted in a number of projects displayed at the York Inter-State Fair. The girls entered garments made in their Home Economics classes which were considered the best from K-D. They were then judged with other county schools. The boys' winning efforts consisted of animal and small project exhibits. These small projects displayed were small grains, potatoes, vegetables, swine, dairy, and beef cattle. Some successful students also entered many open classes at the fair. At right: B. Barnett, K. Ebaugh, L. Kane, S. Picone; seated.

Mr. Gingrich, Director

Kennard-Dale's Orchestra is composed of approximately forty students. It is directed by hard-working and dedicated Mr. Gingrich. This year the Orchestra worked diligently in preparing for the concerts it presented throughout the school year. Its concerts consisted of the Christmas Concert, Elementary Concert, and its last performance, the Night of Music.

#### Junior Chorus

Another of Mr. Gingrich's projects was the direction of the Kennard-Dale Junior Chorus. The pleasant sounding group was made up of about 115 members. The Jr. Chorus performed at the Christmas Concert and at the Night of Music. This year they had the opportunity to sing at Red Lion Jr. High School and, as a result, Red Lion's chorus came to K - D. The Jr. High musicians learned music and prepared to sing in the Sr. Chorus of the future.

Members of the Senior Chorus, amounting to approximately 100 students, under the direction of Mr. Donald Gingrich, gave several performances, including a Christmas Concert, Spring Concert and an exchange concert. The chorus was represented at district chorus by Donald Shaw. Each year, the chorus chooses a few selections for graduation.

Senior Chorus has contributed to the exchange student program for the past two years. The chorus used the proceeds from their concerts for awards given annually to seniors who have been in chorus for three years. 1971-72 officers were: Pres. Donald Shaw; V. Pres. Kitty Cook; Sec. Rachael Jordon; Treas. Deborah Hyson. The librarians were Deborah Haga and Cynthia Ruff.

#### Musicians Make Districts

Among the twenty-four candidates for district band, only six students were selected. Karen Orwig was among the honored few. Under the direction of Dr. Strange, a professor at Carnegie Mellon, 168 musicians participated in the band.

Seven hundred singers from the southern PMEA district gathered in November to compete for the honor of attending district chorus. Donald Shaw was one of the two hundred persons who were selected.

Debbie Anderson represented K-D at district orchestra this year. Musicians from many parts of the district came to Mechanicsburg, Pennsylvania, on February 5, for the festival.

Davoid of flowing robes and tragic masks, Dionysians still stalk a proscenium stage in search of conflict or folly to entertain and sometimes move. Students of the drama who have shown excellence in performance on the Kennard-Dale stage are eligible to work together under the name of the ancient god to whom Greeks dedicated their annual spring drama festivals. Symbol of life, rebirth, the soul, the spirit of Dionysius reaches out to the imaginations of modern play-goers who wish to find something of themselves on the playwright's stage.

Kennard-Dale's Dionysian Drama Society sponsored awards for outstanding performances and technical people. It brought musical comedy to the Kennard-Dale stage this year with the music department in Oliver.

Directed by Miss Spory, Dionysians presented one act plays and short scenes for assembly programs. Members of the Society competed in area dramatic competition winning second place in 1971 at Lebanon Valley College.

This spring the group performed children's theatre for the South Eastern Elementary Schools.

"One more for the road"

Decorated with pumpkins, cornstalks, and picnic tables the K-D gym provided the appropriate surroundings for the tenth grade dance, "Country Roads", held on Nov. 5, 1971. A five piece rock band, SURUBA, proved to be very enjoyable. Punch, cookies and pretzels, served in the decorated cafeteria, revived the guests so they could continue through the fun-filled evening.

June 1, 1971 turned out to be a pleasant spring evening for the commencement exercises. The program began with a few words from the senior class president Sherry Van Hart. Dr. Dean Manifold, superintendent of South Eastern School Dist., continued by announcing the speaker of the evening, Dr. Fred Sample. Being the President of Lebanon Valley College, Dr. Sample was able to share his years of experience and

wisdom with the graduating students and guests. The final speaker, Roland Morris, President of the School Board, gave some advice to the students who were about to go out into the world. The evening neared an ending with the presentation of the diplomas. This important day was concluded with the final procession to the music of Pomp and Circumstance.

## Graduation '71

"Dreams of Days to Come" was the title of the Junior-Senior Prom held May 7, 1971. The Red Lion Country Club, decorated in lavender and ice blue, proved to be an enchanting new spot for the prom. Creston Ottenmiller and his orchestra provided the music for this festive occasion. The new king and queen, Dick Blankenship and Sara Jo Kunkle were crowned by the previous year's royal couple, Dena McDowell and Wayne Reinholt. In spite of the rain, the evening was a delightful one for all who attended.

Athletes who had lettered in a varsity sport were invited to join the Varsity Club. In return for the award jacket or blazer, each member worked on money-making projects initiated by the club to pay for the jackets. Selling refreshments at both football and basketball games and selling sports annuals were two of the many projects that the club was engaged in this year. These projects were not only to raise money but also to help increase school spirit. Items such as the sports annuals and booster pins made it easy for the K-D students to show the pride they had for the school.
